- The revised tariff is published after each modification.
- Advances, repayable after deduction of all services performed, shall be collected for the services to be performed by the control bodies.

2 Tests in third-part testing laboratory

The expenses for the mechanical tests on samples taken by the Delegate of the Inspection Body designated by OCAB and carried out in a third-part laboratory external to the factory are directly charged to the Manufacturer by the laboratory, in accordance with its tariff in force.

3 Certification fees and duties

3.1 Certificate

OCAB-OCBS provides the manufacturer with a certificate attesting the right to CE-mark the certified products and listing these.

3.2 Annual fee

An annual fee of € 1439,00 is invoiced to the Manufacturer for the coverage of charges due to monitoring and updating of European Certification Rules.

3.3 Infringements

The Management Body of OCAB-OCBS can decide to impose corrective actions to be undertaken by the manufacturer in case of non-observance of the rules in force.

3.4 Seal and Signature of the Manufacturer

One duly signed with the handwritten mention "Read and Approved" specimen of this document is to be sent back to OCAB as forming integral part of the certification agreement.
