

Rue Ravensteinstraat 4, 1000 BRUSSELS

Certificate of conformity of the factory production control

1148-CPR-20240125-991

issued on the basis of the certification scheme specified in BRP CE and TRA CE EN 1090.

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Structural steel components

placed on the market under the name or trade mark of

VALICON

Zuiderdijk 18

BE-9230 WETTEREN

and produced in the manufacturing plant

VALICON

This certificate attests that alle provisions concerning the assessment and verification of constancy of performance described in

EN 1090-1:2009 + A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 25/01/2024 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Brussels, 25/01/2024

Benny DE BLAERE, Managing director

The validity of the present certificate is confirmed if visible on the OCAB-OCBS website.

Annex to the certificate of conformity of the factory production control:

1148-CPR-20240125-991

This certificate has been drawn up for products whose factory production control has been assessed and confirmed, and which are described in this annex by means of identification data and an indication of the levels and classes in which their performance may be found.

The performance of the individual product is declared by the manufacturer by means of a declaration of performance which he draws up and makes available under his own responsibility.

Product description

Steel structures

Declaration method

2 - 3a - 3b

« Declaration of product properties by material properties and geometrical data » (1)

« Declaration of the strength value(s) of the component » (2)

« Declaration of the compliance with a given component specification » (3a)

« Declaration of the strength value(s) of the component from purchaser's order » (3b)

Execution class

EXC1 - EXC2
